

Semi-Annual Update

May 2008

DOWNLOAD INSTRUCTIONS

1. On the web page (http://www.treasurydirect.gov/instit/savbond/price/bondpro/bondpro_updates.htm), select the [New Values](#) link found under the [Current Update](#) section.
2. Select Save and save the file, **sbbpcrv.exe**, to your Desktop. If prompted, select Yes to overwrite the existing file.
3. If you're **not** using the Serial Number Review feature, you don't need to update your Treasury file; continue to the **UPDATE INSTRUCTIONS** section. Otherwise, select the [New Treasury File](#) link on the web page under the [Current Update](#) section and continue to step 4.
4. Select Save and save the file, **sbbptfc.exe**, to your Desktop. If prompted, select Yes to overwrite the existing file.
5. Continue to the **UPDATE INSTRUCTIONS** section.

UPDATE INSTRUCTIONS

1. Start Bond Pro and select the Maintenance menu.
2. Select System Maintenance and the Redemption Table tab.
3. Select Browse. In the "Look in" field, make sure Desktop is displayed.
4. The "File name" field should contain the update file name, **sbbpcrv.exe**. Select Open.
5. You're returned to the Redemption Table tab. Select Update.
6. An update screen is displayed. Once it's active (may take several seconds), select Start. Please wait; this process may take a few minutes.
7. You'll be prompted when the update is complete with a question to update your Treasury File. If you're using the Serial Number Review feature, select Yes and continue to step 8. Otherwise, select No; you've completed your update.
8. In the "Look in" field, make sure Desktop is displayed. The "File name" field should contain the update file name, **sbbptfc.exe**. Select Open. Please wait; this process takes several minutes (you'll see the following: Defrosting Blocks).
(Note: If you are updating a server installation and receive an error message stating, "...file could not be copied," locate your Bond Pro folder thru Windows Explorer. Select the Edit menu and the Select All option. Move your mouse so that the cursor is placed over any of the selected files. Right click your mouse for a pop-up menu. Select Properties. Under the Attributes area, deselect the Read Only option. Select OK to save the change. Then, return to Bond Pro and try the update again.)
9. You'll be prompted when the update is complete. Select OK.

The Redemption Table tab should reflect the ending date: **11/2008**
